

Westmetall on trade with materials originating from Belarus and Russia

Westmetall follows EU sanctions against Russia and Belarus on trade with steel and metal products:

- Council Regulation (EU) 2023/1214 of 23 June 2023 amending Regulation (EU) No 833/2014 on restrictive measures in view of Russia's actions destabilizing the situation in Ukraine
- Council Regulation (EU) 2023/1563 of 28 July 2023 on Implementing Regulation (EU) No 269/2014 on restrictive measures regarding actions that undermine or threaten the territorial integrity, sovereignty and independence of Ukraine
- Council Regulation (EU) 2022/355 of 2 March 2022 amending Regulation (EC) No 765/2006 concerning restrictive measures in view of the situation in Belarus

Westmetall has also decided to stop all business (sourcing from and sales to) with Russia - even for products outside the EU's current restrictive measures.
